

MILTON HIDE

Tech Rider

Josie

stage right (sits on cajon)

- **Vocal mic:** (SM58 or similar dynamic mic required on boom stand)
- **Clarinet:** DI required for standard 1/4" jack (clarinet pickup). NB, lower high and mid frequencies to reduce noises from the keys
- **Cajon:** Drum mic required (SM57 ideal) behind and if poss mic in front near top also. NB, very light percussion.

Jim

stage left usually standing

- **Vocal mic:** (SM58 or similar dynamic mic required on boom stand)
- **Guitar:** DI required for standard 1/4" jack. NB, often uses three guitars but all have similar pickups.

Monitors: Ideally 2 fold back speakers with the same mix in each.
